**Webinar on
“Driving Sustainable Success through ESG Reporting and Carbon Credits”**

Speakers:

Mr. Ricky Cheng
Director and Head of Risk Advisory, BDO

Mr. Alpha Chia
Manager of Risk Advisory, BDO

(Course Code : 162025)

Highlight:

This webinar will empower organizations toward sustainable success by exploring the transformative potential of Environmental, Social, and Governance (ESG) reporting and carbon credit strategies. Designed for strategic decision-makers, the session will highlight how businesses worldwide are leveraging ESG to enhance reputation, attract investment, and navigate regulatory landscapes. We will discuss global trends shaping sustainability, such as the shift toward net-zero commitments and the rise of carbon markets, while connecting these to Hong Kong's evolving requirements under the Hong Kong Stock Exchange (HKEx) framework. Key highlights include:

- **Strategic ESG Integration:** Learn how leading companies globally are embedding ESG into their core strategies to boost long-term value, with examples from industries like finance, manufacturing, and technology.
- **Global and Local ESG Reporting:** Understand the essentials of ESG reporting, including how to communicate environmental and social impact to stakeholders, aligned with international standards like the Global Reporting Initiative (GRI), Taskforce on Nature-related Financial Disclosures (TNFD), International Standard on Sustainability Assurance (ISSA) 5000, exposure draft/consultation from ISSB IFRS subsequent amendments etc.
- **Carbon Credits as a Business Opportunity:** Discover how carbon credits can help achieve sustainability goals, reduce emissions, and unlock new revenue streams, with insights into global voluntary carbon markets and Asia's emerging carbon trading platforms.

About the Speakers:-

Mr. Ricky Cheng
Director and Head of Risk Advisory, BDO

Ricky Cheng is a director and head of risk advisory of the firm, with major responsibility in the area of risk advisory services. He specialises in assisting clients in managing their internal audit function and meeting corporate governance requirements in both China and Hong Kong.

Ricky has over 20 years of risk and assurance experience. He worked for large international accounting firms and had commercial internal audit experience. He has hands-on experience in various services such as Sarbanes-Oxley Compliance, risk management assessment, compliance assistance, corporate governance compliance review, internal audit assistance, business process review, Environmental, Social and Governance (ESG) readiness and reporting support services review, stored value facilities (SVF) licence independent assessment review, etc.

Ricky is a frequent event speaker of related topics for professional body organisations and training for listed and non-listed companies.

Ricky is a Sustainability Committee Member of the Hong Kong Institute of Certified Public Accounts (HKICPA), a Governor and the Chairman of Research and Education Committee of The Institute of Internal Auditors Hong Kong Chapter (IIAHK), an Advisory Peer Group Member of The Open University of Hong Kong (OUHK). Ricky was the Committee Member of ACCA Hong Kong (ACCA) from 2011 to 2013. He was the training committee member of The Hong Kong Institute of Directors (HKIoD).

Mr. Alpha Chia
Manager of Risk Advisory, BDO

Alpha has more than 10 years' experience in the environmental industry. After graduated from The Hong Kong Polytechnic University, Alpha joined several main contracting construction companies in Hong Kong. He started as an assistant environmental officer and gradually became a project environmental manager with years of experience. His projects ranged from green buildings to ISO 14064, 14001 audit etc. He is qualified as a BEAM Pro NB 1.2 and 2.0. He was also responsible for drafting environmental management plan, sustainable management report etc.

Alpha has also been working as Senior Consultant in Arcadis due to his skills and technical knowledge in the environmental and construction industry. After gaining experience from green building design, Alpha joined HKQAA and was responsible for project management in the intelligence business department, focusing on green finance, sustainability-linked loan and TCFD.

As a project manager, he developed, maintained, and monitored the quality of the technical consultation service in green and sustainability finance provided by company to be delivered in an effective, efficient, and reliable way. He was a qualified lead assessor green bond/loan and sustainability-linked loan in the company and was a TCFD trainer in-house for other colleagues. He is the author for five sets of 'Green Finance Implementation Guidebook for SME' in 2022 under TCF funding.
